FUNCTION CENTRE

FUNCTION PACKAGES

THE
ELLINGTON
FUNCTION CENTRE

Welcome to the Ellington Function Centre. We are situated at 23 Hackney Rd, straight across from the Botanical Gardens next to the North Terrace precinct, offering you two unique event spaces in which you can celebrate in style.

'The Ballroom' is the Ellington's main event space and offers hospitality for up to 320 seated guests or 420 cocktail styles. It features grand deco mirrors, a large sweeping dance floor and the option of the optic 'starlight ceiling' for that extra something special. There is also the Greenroom - a private party suite to kick up your heels in between all the celebrating.

This beautiful art deco building offers elegance, extravagance and the excitement of the 1920's in a comfortable, contemporary setting. The second function room is 'The Loft', an enchanting space on Level 2, overlooking Adelaide's Botanic Gardens. Guests will enter via the 100-year-old Jarrah staircase to find a hidden and intimate contemporary space for cocktail parties, seminars, and meetings.

We create much personalised events tailored to suit your every need, ensuring you and your guests' enjoyment is our top priority at every function.

Please review all the options and the possibilities in this function pack and do not hesitate to contact us to discuss further details on events@ellingtoncentre.com.au or (08) 8132 5999.
